

WELCOME DAY

Challenge 3

the project that
links them ,
gives you the
lonely
letter
that you need .

- 1) project that's good for your ears
- 2) a festival of developers
- 3) camping for experience
- 4) code , pizza and music
- 5) ☐
- 6) google technologies related event
- 7) IBM would approve on it
- 8) your monthly letter
- 9) a blue bird , and a bunch of developers

character for the following ascii 111 should be
in what yellow + blue give you .

one of gdg colors , is the same as the  , so
is the first letter .

the 20th should be in the sky

what you're
looking
for is a word ,
a 4 letters word
